

Radiant Recognized as a Top Canadian ICT Company in Branham300

Vancouver, Canada, April 23, 2013 – Radiant Communications Corp. (“Radiant”) (TSX-V:RCN), a leading provider of managed network and cloud hosting solutions for medium-size enterprises, today announced that it has been ranked 103rd in the 2013 Edition of the Branham300 listing of Top Canadian Information and Communication Technology (ICT) companies.

The Branham300 listing, prepared by the Branham Group, a leading industry analyst and strategic marketing company, provides a listing of Canada’s top technology and ICT industry leaders ranked by revenues. According to the Branham Group, the ICT sector continued to move forward at a steady pace in 2012 and this is expected to continue well into 2013. Radiant is listed as one of Canada’s top technology companies, with a ranking of 103 in the Top 250 Canadian ICT companies, moving up 18 places from their 2012 ranking.

“We are proud to be recognized as one of Canada’s top technology and ICT companies,” said Paul Healey, President and CEO of Radiant Communications. “With our customer-centric approach, we continue to build on our strength, delivering managed network and cloud hosting solutions to meet the critical needs of customers. We look forward to continuing our efforts and successes.”
